

VICTORIA MINTEY

THEATRE ACTOR & COMMUNICATION COACH

Victoria helps people communicate with presence & purpose – so that they can get their ideas out into the world in a clear & impactful way.

With a MA. in Performance and an on-going, active theatre career, from her base in Singapore Victoria's workshops have inspired & encouraged people from all over the world to become confident and compelling speakers.

Recent projects include: storytelling and coaching for LinkedIn; pitching bootcamp for Engie Factory; bespoke rehearsals for Synthesis; speaker coaching for Salesforce Event; webinars for General Assembly; 1:1 coaching at P&G; Sales team training for Oliver Agency.

TEAM TRAINING OPTIONS

To chat about any of our team training options contact Victoria or [book a call here](#).

We educate, encourage and energise teams to become dynamic communicators.

i) Our signature [3Cs Programme](#) guides each participant on clarity of message; power in the voice; feeling & looking confident and credible; storytelling with structure & purpose; and compelling delivery style. Everything they need to land their message packed into three short training sessions. [Read more here](#).

ii) 1-on-1 coaching pairs well with team training sessions to assess and develop individuals on a deeper, more personal level. In a series of private, tailored sessions we focus on their key concerns and communication goals. [Read more here](#).

iii) Our webinars introduce the fundamentals of confident, impactful communication and presenting. Experience an interactive session with easily applicable tips and advice. Get the ball rolling!

Topics include: Confidence for Mind, Voice & Body; Speaking with Expression.; Telling your Career/Company Story.

Need to start now? Read our [free guide](#) for helping your team with presentation skills.
